

## Fire Station Proximity

Maprisk's Fire Station Proximity report will give you the straight-line distance and shortest driving distance to the closest fire station, name of the station and staffing details (career or volunteer).

We curate, clean and confirm our dataset of fire stations based on local fire departments, government sources like municipalities and counties, and the USFA database.

### Coverage Area

- United States, United Kingdom

### Report Details

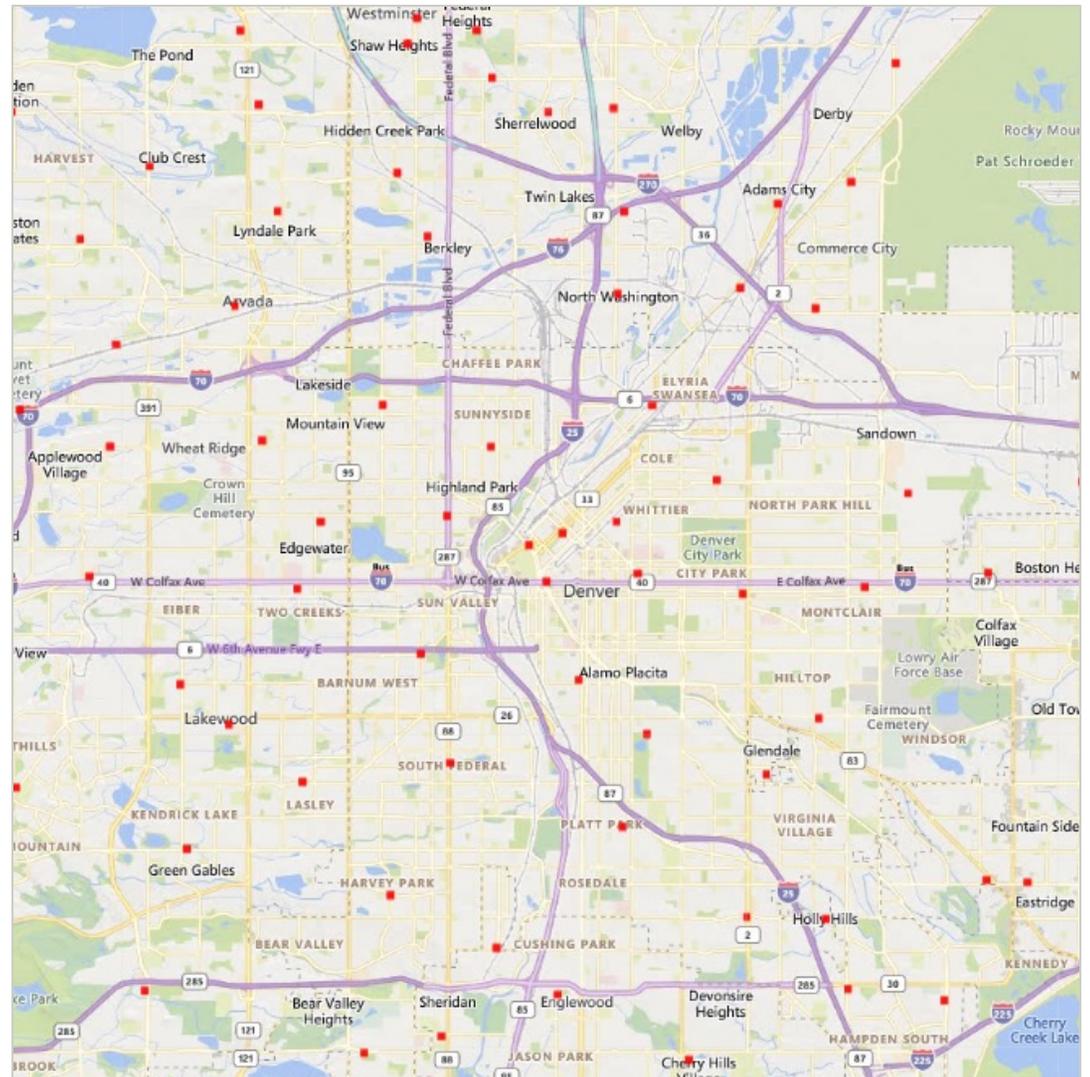

We enhance your data with attributes you can view, filter by and export:

- Overall Rank
